

# ALERRT Low Light Train the Trainer

Location: Henderson, Kentucky

Cost: Free

October 2-4 2017

**Prerequisite:** Sworn state of local law enforcement officer (preferred: experience in tactical, firearms, and/or law enforcement training)

**Description:** This three-day train-the-trainer course is designed to provide the participant with training concepts, techniques, and equipment considerations to increase their effectiveness and confidence while operating in low- or no-light conditions. The course incorporates the use of force-on-force drills to validate the tactics and techniques covered. Topics will center on approaching a target area, low light searching techniques, low light entry methods, armed confrontations and unarmed suspect handling. The course also covers instructional techniques and methodology for delivering the course, force-on-force scenario development, safety protocols and procedures, graded participant teach-backs, graded participant-led force-on-force scenarios, remediation, video debrief, course critiques, and evaluations. Participants are provided with all lesson plans, PowerPoint presentations, student manuals, and related courseware so that they are immediately prepared to deliver a low-light training course at their home agency.
