

Director of Northern Kentucky Office of Drug Control Policy

The Northern Kentucky Area Development District, as the Fiscal Agent for the Northern Kentucky Office of Drug Control Policy, is now accepting applications for the **Director of the Northern Kentucky Office of Drug Control Policy**.

The Director of the Northern Kentucky Office of Drug Control Policy (NKODCP) provides leadership and direction in implementing the vision established by the NKODCP Board of Directors. The Northern Kentucky Office of Drug Control Policy assists with the development of substance abuse policy initiatives, coordinates regional efforts and provides advisory services to the Fiscal Courts of Boone, Campbell and Kenton Counties ("Counties"), and other organizations as directed. The Office is charged with serving as the subject matter expert on the issue of substance abuse and the development of a comprehensive plan ("Plan") to reduce the prevalence of substance abuse among the youth and adult populations while coordinating efforts among all respective county and regional agencies toward the implementation of the Plan. Excellent benefits and generous retirement plan. Starting salary DOQ. TDD 711.

Education and/or Experience

Graduate of a college or university with a bachelor's degree majoring in counseling, psychology, health sciences, public administration, business administration, or any degree directly related to public policy, politics or substance abuse policy with minimum of five years related experience; technical experience with law enforcement and/or counseling is preferred; Significant experience/knowledge/accomplishment in the substance abuse education/prevention/treatment may supplement education and/or experience.

Interested persons should submit a cover letter and resume/vitae with a minimum of three professional references to the Northern Kentucky Area Development District. Review of applicants will begin June 15, 2018 and will continue until the position is filled. Equal Opportunity Employer.
