Dear Valued Partner,

I am excited to bring you news of the 2019 Kentucky Association of Chiefs of Police Conference, which will be held at the Owensboro Convention Center in Owensboro, Kentucky, from July 28 through August 1, 2019. This conference will be the biggest and best yet, and we need your help!

The Kentucky Association of Chiefs of Police (KACP) has a mission to:

- Promote public safety and citizen awareness in the Commonwealth
- Disseminate information on methods and procedures to prevent and combat crime
- Foster high professional standards of conduct for all law enforcement officers

In order to raise funds to help in the furtherance of this mission, the KACP holds an annual conference. The conference attracts executive level members from throughout the state as well as nationally recognized trainers and speakers. These leaders gather with the purpose of learning, sharing best practices and experiences, and expanding their competencies and skills by overcoming challenges within the profession. By becoming a vendor and/or sponsor for this conference, your organization will be able to educate these executive leaders on the newest products and services to help their departments excel at their missions of protecting and serving their communities.

The monies raised by the conference will help the KACP continue its mission within the Commonwealth of Kentucky. The KACP can continue to expand the Law Enforcement and Dispatch Accreditation Programs as well as help executive leaders throughout the Commonwealth to receive training, equipment and assist with their limited budgets.

We ask you to consider becoming a vendor and/or sponsor the 2019 Kentucky Association of Chiefs of Police Conference, held on July 28 to August 1, 2019 here in beautiful downtown Owensboro. Attached, you will find the defined sponsorship levels and information on becoming a vendor.

Feel free to contact our conference team with any questions at: KACP2019@owensboro.org. You may also call 270-687-8878. Your support is greatly appreciated.

Sincerely,

Chief Arthur Ealum Jr.
Owensboro Police Department
