Dear Valued Partner,

I am pleased to share the 2020 Kentucky Association of Chiefs of Police Annual Conference will be hosted by University of Kentucky, from August 9<sup>th</sup> through 13<sup>th</sup> at the Hilton Lexington Downtown in Lexington, Kentucky. The Central Kentucky location is sure to attract law enforcement agencies from across the Commonwealth.

The Kentucky Association of Chiefs of Police (KACP) membership consists of over 500 Kentucky Law Enforcement Executives including Police Chiefs, Sheriffs, State and Federal Law Enforcement Administrators, and Railroad Police. Their mission is to:

- Promote public safety and citizen awareness in the Commonwealth
- Disseminate information on methods and procedures to prevent and combat crime
- Foster high professional standards of conduct for all law enforcement officers

The conference attracts executive level members from throughout the state as well as nationally recognized trainers and speakers. These leaders gather with the purpose of learning, sharing best practices and experiences, and expanding their competencies and skills by overcoming challenges within the profession. The funds raised by the conference will help KACP continue its mission throughout the Commonwealth. KACP also offers Law Enforcement and Communications Accreditation Programs, legislative support, and financial assistance.

Please consider becoming a sponsor and/or exhibitor at the 2020 KACP Annual Conference in Lexington this August. In doing so, your organization will help educate executive leaders on the newest products and services while also supporting law enforcement agencies in their missions to protect and serve their communities. The downtown hotel and conference center is connected to Rupp Arena, with convenient skywalk access to shopping, dining, and attractions .

Attached, you will find defined sponsorship levels and information on becoming an exhibitor. For more information, please visit [www.kypolicechiefs.org](http://www.kypolicechiefs.org) and feel free to contact our conference team with any questions at: [CMP@uky.edu](mailto:CMP@uky.edu).
