Taylor Mill is a friendly, vibrant community located in Kenton County and home to nearly 7,000 residents.

We offer small-town charm just minutes away from the area's top entertainment and arts districts, Covington and Newport, and close proximity to I-275, the airport and downtown Cincinnati. In our city, your family will have access to all the conveniences, educational opportunities and services you need.

We take pride in bringing our community together through volunteerism, local festivals and recreational opportunities.

The city's crown jewel, Pride Park, is an 80-acre recreational area offering walking trails, playgrounds, basketball courts, a community center, and more.

Our focus is on building a strong future for city and connecting our community. The Taylor Mill Sidewalk Project and the development of our business district-Districts of Taylor Mill- will make our community more walkable and offer conveniences for our residents while keeping our small-town feel.

Come to experience Taylor Mill for yourself. You'll want to call it home.
